

**Strathendrick Singers** is a community choir drawing its members from the villages of West Stirlingshire, between Loch Lomond and the Campsie Fells. We have about fifty members in the choir, and perform at least two major concerts a year. Although 2017 will be our 40th anniversary, this is the first time we have ventured beyond Scotland, and we are very grateful to the KVV Singers, who visited us a year ago, for providing both the invite and the stimulus for this initiative. We hope you enjoy our music.

**Mark Evans** is Course Director of Music School at Douglas Academy in Milngavie, where he directs a 100 strong senior choir, and a chamber choir. He is also a Director of the National Youth Choir of Scotland. Mark studied music at Glasgow University and choral conducting at the Lithuanian Music Academy.

**Alexandra Standing** is currently studying at the Royal Conservatoire of Scotland. Originally from East Yorkshire, Alex was the official accompanist for Dagger Lane Singers and the Maureen Hunter Junior Singers in Hull during her time there.

You can follow our activities on facebook or on our website:
